The Backstage Tour and Sydney Secrets

Your morning starts with the Sydney Opera House Backstage Tour. This intimate tour grants you exclusive access to areas normally reserved for the stars and their crew. Stand on the Concert Hall stage where the world's greats have stood. Includes a full breakfast in the Green Room** - private domain of the performers.

Follow this with the 30 minute Sydney Secrets flight which encompasses Sydney's beautiful Northern Beaches including Manly, Curl Curl, Avalon and the iconic Palm Beach. Return to the Harbour Bridge and Opera House via the yachties' paradise of Pittwater. After landing in Rose Bay, your water taxi will be waiting to take you from the aircraft back to Circular Quay.

The Essential Tour and Sydney Highlights

At Sydney Opera House you will enjoy The Essential Tour. Our guides will take you on an emotional journey, engrossing you in a story to rival any opera plot and explaining how this miracle of architecture and engineering came into existence against impossible odds.

Be awed as beautiful Sydney Harbour unveils itself, with stunning sandstone cliffs rising abruptly from the sea. From world-famous Bondi Beach climb to 1000 feet for a truly stunning vista. We track to the Harbour Bridge and Opera House, and complete a circuit above both famous icons before gently splashing back down to earth in Rose Bay. After landing, your water taxi will be waiting to take you from the aircraft back to Sydney Opera House.
