OUTSTANDING LIVE PERFORMANCE

BRINGING THE BEST OF THE WORLD'S PERFORMERS TO OUR STAGES

Sydney Opera House is committed to delivering outstanding live performance to all of our community. Ticket sales only cover a small fraction of the real cost of maintaining and presenting performances in each of our seven venues, so in order for us to continue to bring the best international live performers to Australia, we need your help.

YOUTH AND EDUCATION

DEVELOPING PROGRAMS FOR YOUNG PEOPLE AND FAMILIES

We are committed to bringing the very best in international children's performing arts to Australian youth audiences. Each year our Education Program reaches 60,000 young people and families. For more children to have the opportunity to experience the magic of live performance, we budget to subsidise tickets by up to 74%.

COMMUNITY AND ACCESS

ENSURING ACCESSIBLE PROGRAMS AND PRICE POINTS FOR ALL OF OUR EVENTS

We continue to broaden community access by opening the House to people from all over NSW with free and inexpensive programs year-round. It is thanks to our valued donors that we are able to do this and we need your help to grow these initiatives and continue to make Sydney Opera House a place for everyone.

PRESERVATION AND DEVELOPMENT

MAINTAINING SYDNEY OPERA HOUSE AS A WORLD HERITAGE LISTED MASTERPIECE

Sydney Opera House is an architectural masterpiece and a famous Australian icon. We are currently working to improve disability access and enhance facilities that will make the experience of visiting our venue more enjoyable for all. Your support will assist us in ensuring that Sydney Opera House remains one of the world's leading arts centres.
