Condition:

CCTV footage on premises:

The Licensee shall maintain a CCTV system that meets the following minimum requirements:

- (i) A camera must be located at the main entrance to the venue and positioned to record any person entering through this entrance. The CCTV recordings of this camera must be sufficient to enable an individual to be identified, beyond reasonable doubt, when:
 - a. the person represents not less than 100% of screen height, and
 - b. there is an unobstructed view of the person's face.
- (ii) In addition, CCTV cameras must be maintained throughout the premises with camera coverage to specifically record images of the following areas:
 - a. all other public entrances and exits, whether or not in use at the time,
 - b. staircases,
 - c. all portions of the floor area accessible to the public where entertainment is provided,
 - d. toilet external entrances,
 - e. all public accessible areas within the premises excluding toilets and accommodation rooms,
 - f. the footpath area directly adjacent to the premises, and
 - g. courtyard and smoking areas.
- (iii) The CCTV recordings of the cameras referred to in sub condition (ii) must be sufficient to enable the recognition of a person. A viewer must be able to say with a high degree of certainty whether or not an individual shown is the same as someone they have seen before, when:
 - a. the person represents not less than 50% of screen height, and
 - b. there is an unobstructed view of the person's face.
- (iv) Camera views are not to be obstructed by temporary or permanent structures, signage or other impediments.
- (v) Camera recordings must meet the standards set in sub condition (i) and (iii) at all times, either by way of camera positioning, camera shades or other environmental factors.
- (vi) Recordings must:
 - a. be in digital format,
 - b. record at a minimum of ten (10) frames per second, and
 - c. commence one hour prior to opening, and operate continuously until at least one hour after closure.
- (vii) The correct time, date and camera identification must be automatically embedded on all recordings and be able to be read when the image is played back on a different system without interfering with the view of the target area.
- (viii) Recordings should be retained for a period of 30 days before being reused or destroyed. The licensee shall ensure that no person is able to delete or alter any recordings within the 30 day period.
- (ix) When the venue is open and trading, at least one person shall be at the venue who is capable of accessing the CCTV system and is able to immediately review recordings and produce copies.
- (x) Immediate access to the CCTV system and the ability to review recordings on the system is to be granted to NSW Police, L&G NSW Inspectors or other regulatory officers upon request.
- (xi) The CCTV system shall be able to reproduce a copy of the recordings on Compact Disc, DVD or USB memory stick and must, upon request, be provided within one working day to NSW Police, L&G NSW Inspectors or other regulatory officers.
- (xii) Prior to the commencement of trade each day, the CCTV system shall be checked to ensure the equipment is in full operating order. If, during the daily check or at any other time, it is discovered that the equipment is not in full operating order, the licensee is to notify the Local Area Commander or delegate within two hours. All reasonable steps must be undertaken to repair the system as soon as practicable. The Licensee shall record this daily checking activity in the incident register book that meets the standards required by the Licensing police and Council.

The licensee has to fully comply with the above CCTV conditions within 12 months.

• In the interim, the licensee must maintain the existing level of the CCTV coverage as at the date of the grant of the licence.

Condition: Neighbourhood Amenity
The management of the premises:
i. Shall ensure patrons do not crowd or loiter in the vicinity of the premises in such manner that pedestrian movement is obstructed or hindered.
ii. Shall ensure that the manner in which the business of the premises is conducted and/or the behaviour of persons entering and leaving the premises does not cause undue disturbance to the amenity of the neighbourhood. In this regard, the management shall be responsible for the control of noise and litter generated by persons and/or premises operations. If so directed by Council, the Management is to employ private security staff to ensure that this condition is complied with.
iii. Shall record in a Register full details of any disturbance complaint/s made by a person to management or staff in respect to the manner in which the business of the premises is conducted and/or the behaviour of persons entering or leaving the premises. Such recording will include time, date, nature of the complaint/s and any complainant details if provided.
iv. Shall respond to any disturbance complaint/s in a timely and effective manner. All actions undertaken by management / staff to resolve such complaint/s shall be recorded in the Register.
An adequate queuing system for patrons must be implemented at the main entrance of the licensed restaurant so as to ensure that if patrons are queuing to gain entry they do not obstruct or impede pedestrian traffic flow.
